About The Creator...

Toshio Maeda is considered one of the forefathers of erotic manga and anime in Japan. Maeda began his career as a manga artist and quickly became known for the shocking depictions of sex and violence in his comics. Fame and fortune followed when *Urotsukidoji* was animated. *Urotsukidoji: Legend of the Overfiend* is still the most recognized adult anime in the world and opened the door for an entire genre of erotic anime. *The Erotic Anime Movie Guide* notes, "No other title apart from *Akira* has been so influential in the English-language anime market as *Legend of the Overfiend*." Never one to rest on his laurels, Mr. Maeda continues to work in erotic anime, always trying to push the boundaries of perversion and obscenity. Mr. Maeda is also the genius behind *Adventure Kid*, *Demon Beast Invasion* and the ever-popular *La Blue Girl*.
